2021 RACE GUIDE

WELCOME

Welcome to the sixth annual Tri The Gulf. The Mobile Bar Foundation is proud to host this event on beautiful Dauphin Island, Alabama, “Sunset Capital of Alabama.” We are grateful that you have chosen to participate in this event. We are committed to providing the best race experience to the athletes that will be traveling from across Alabama and 17 other states to participate. We want you to have fun while helping us generate the funds required to help some of Mobile’s and Southwest Alabama’s persons in need.

While on Dauphin Island, we hope you will take the time to check out the Island’s attractions. Historic Fort Gaines is on the east end of the Island. The Estuarium is a public aquarium that is fascinating to people of all ages. The Mobile Bay Ferry should be operating between the Island and Fort Morgan (located in Baldwin County). There are beautiful beaches, parks and a bird sanctuary on the Island, plus a number of places where you can enjoy great, fresh seafood. Bellingrath Gardens, 65 acres of permanent and seasonal horticultural displays, is close by on the mainland. Mobile, with all of its history, great cuisine and beauty, is only 40 minutes away.

Prior to the night before the race, please take a minute to read through this entire race guide. Take time to familiarize yourself with the courses, key times, etc. Everything you need to know about the triathlon is posted on the triathlon’s web site: www.trithegulf.org. The few minutes taken to read this guide thoroughly will make your race experience all the better.

This event is a massive undertaking that would not be possible without the support of our sponsors and volunteers. On race day, please be sure to express thanks to our sponsors and volunteers for their support of the triathlon.

COVID 19 PRECAUTIONS AND RELATED MEASURES

Due to the current COVID 19 pneumonia situation, the following modifications to our normal routine will be utilized:

1. ALL participants, volunteers, spectators and race officials are asked and expected to social distance as much as possible during this event.
2. All participants who have not been fully vaccinated for the COVID 19 pneumonia virus are requested to wear a mask *when not competing or eating*.

3. Hand sanitizer will be available.
4. All hydration provided by the Triathlon will be bottled and participants will take it [volunteers will not be handing them to you].
5. Finishers medals will be available for pick up on a table near the finish line.
6. The awards ceremony will be limited to recognizing the overall male and female winners. Winners of all other awards will be announced and winners will pick up their awards from the awards table.

PACKET PICK UP

You must pick up your own packet. **NO EXCEPTIONS.** Relay team members should come *together* to pick up their packet. At packet pick up you **MUST** furnish photo identification and your USAT annual membership card. If you purchased a one-day USAT membership during the registration process, we will have a record of the same.

At packet pick up you **MUST** complete and execute two release documents in the presence of a representative of the triathlon. *Allow yourself time to complete this process.* You can download these documents in advance ([ZIP Archive](#)) and complete them in advance of packet pick up. *However, you must execute the documents in the presence of a representative of the triathlon.*

If the participant is under the age of 19 years (“age of majority” or adulthood in the State of Alabama) the participant **AND** one of his/her parents or legal guardian must also execute the release documents in the presence of a representative of the triathlon.

GET TO THE ISLAND BEFORE 6:00 A.M. - DO NOT TRY TO TAKE FERRY

As noted above, the Dauphin Island Bridge will close at 6:15 a.m. for the setting of the bike course on the Bridge. It is **imperative** that you be on the Island before the Bridge closes. We will not delay the triathlon's start for you to arrive. Also - the Mobile Bay Ferry does not commence operations until mid-morning. Do NOT plan on taking the Ferry from Baldwin County over to the Island before the event.

PARKING

Parking is available at the Dauphin Island Elementary School and Dauphin Island Park and Beach Board's parking lot located adjacent to each other on Bienville Boulevard on the western end of the Island. Look for road signs to direct you to the parking lots. Volunteers will also be on site to direct you. These parking lots are approximately one (1) mile from the Isle Dauphine Club campus. Parking along the sides of Orleans Drive (part of the bike and run courses) is NOT permitted. You can ride your bike from the parking lot to the Isle Dauphine Club campus (would be a good warm up exercise). **However, do NOT ride your bike to the campus if you do not have adequate lighting on your bike. Orleans Drive (entry street to the Club has some dark areas).**

SHUTTLE

A shuttle will be running between the parking lots and the Isle Dauphine Clubhouse between 5:00 a.m. and 6:30 a.m. The shuttle will resume operations after the Awards Ceremony.

LIMITED BIKE DROP OFF AT ISLE DAUPHINE CLUBHOUSE

Between 5:00 a.m. and 6:30 a.m. we will permit persons to drive their motor vehicles to the entrance to the Isle Dauphine campus to drop off their bikes and then go park their motor vehicles. These vehicles must keep moving. No unloading of motor vehicles or stopping to check the air pressure of bicycle tires will be permitted in the drop off location. This will be strictly enforced.

PRE-EVENT HYDRATION AND NUTRITION

We will have some pre-event hydration and nutrition available at the Transition Area prior to the start of the event.

TRANSITION AREA SECURITY

Only registered racers that have their custom wrist band on will be allowed to enter the transition area at any time, before or after the event. This is for the protection of your equipment, so please obey all of the rules and respect the security staff that are there protecting your stuff !!! Neither the USAT, nor the Mobile Bar Foundation, provide insurance for your property. If you lose your wrist band or your bike number comes off of your bicycle during the race, seek out a leader of the triathlon (will be wearing blue polo shirts that have the triathlon's logo on shirt) for assistance. **ANYONE CAUGHT TRYING TO IMPROPERLY ENTER THE TRANSITION AREA WILL BE DISQUALIFIED** from the triathlon.

ATHLETE CHECK-IN, TIMING CHIP PICK-UP AND BODY MARKING

Upon arrival at the event site and after you have picked up your packet, athletes should proceed to the check-in station. This will be adjacent to the entrance to the Transition Area. At this point you will identify yourself and be referred to the timing chip station. At the timing chip station you will identify your event number and receive your timing chip. **THE TIMING CHIP SHOULD BE AFFIXED AT YOUR LEFT ANKLE.** Consider affixing a "safety pin" to the timing chip strap to help avoid it coming off during the event.

Before you enter the Transition Area your participant number must be displayed. We are providing temporary number tattoos for you. These are in your packet. We encourage you to affix these the night before the triathlon. If you have an issue affixing the tattoos, you can self-mark yourself prior to the event or you can get marked at the event. Your assigned participant number should be affixed or written on your left upper arm and on the calf of your right leg.

ENTRY TO TRANSITION AREA

You will **NOT** be permitted to enter the Transition area if: (1) your bicycle is missing one or both handle bar plugs or (2) if you have a mirror at the end(s) of your bicycle handle bars or a mirror on your helmet. You will be referred to the bike maintenance tent to address the issue. **Electric bicycles are not permitted.**

TRANSITION AREA

The bike racks in the Transition Area are marked in numeric sequence. Find the rack that corresponds with your assigned participant number. You can place your bike at any point on the rack. Bicycles should be racked in opposite direction on the bike rack. You should place your other gear to one of the sides of your front tire (tire will be down - touching the ground). Your gear should not extend beyond the front tire. Your extra gear can be placed at the fence line of the Transition Area at your own risk during the course of the event.

Cycle-Run athletes will have a designated rack to utilize.

Relay athletes will have a designated rack to utilize. Relay athletes should remain under the relay tent in the Transition Area until it is their time to participate in the triathlon. The timing chip should be exchanged between relay team members under the tent.

SWIM CAPS

ALL athletes that are swimming must wear the swim cap provided to them in their packet. The swim cap may be taken off after the athlete has passed over the timing mat at the conclusion of the swim course and is headed towards the Transition Area.

WET SUITS

In 2016 the Triathlon was NOT “wet suit legal.” In 2017 and 2018, the water temperature was 77 degrees F and these events were wet suit legal. If the temperature is 78 degrees F or higher, wetsuits will not be permitted. We will announce the water temperature while the Transition Area is open.

SWIM START

Para-athletes will commence the swim course. They will be followed by Aqua bike athletes *in numeric order*. All other triathletes will be permitted to “self- seed” for the swim course. Signs will mark the different time groups. Athletes will enter the water every 5 seconds.

BIKE MAINTENANCE

We are pleased that Adventure Earth Bike Store and Infinity Bicycles will be providing bike maintenance and support at the triathlon. Their tents will be located adjacent to the Transition Area. They will also be providing bike support during the event.

EVENT HYDRATION

All athletes are **STRONGLY ENCOURAGED** to have a source of hydration on their bicycles. We will have limited hydration available at the northern terminus of the Dauphin Island Bridge during the bike course. We will have hydration stations at miles one and two of the run course. Cold water and other hydration products and ice cold towels will be available at the Finish Line.

REMOVING BIKES AND GEAR FROM TRANSITION AREA AFTER COMPLETION OF RACE

NO ONE will be permitted to enter the Transition Area for the purpose of removing their bicycle and/or gear as long as there are athletes on the bike course. NO EXCEPTIONS. After all athletes have completed the bike course, the Transition Area director will permit a limited number of athletes to enter the Transition Area for the purpose of removing their bicycles and gear.

DROPPING OUT

If you drop out of the race, please notify a race official and return your timing chip at the finish line. PLEASE DO NOT GIVE THE TIMING CHIP TO VOLUNTEERS ANYWHERE ON THE COURSE. FAILURE TO RETURN YOUR TIMING CHIP WILL RESULT IN A \$50 LOST CHIP FEE.

FINISHERS MEDALS - TIME RESULTS

You will receive a finisher's medal at the Finish Line. If you are an Aqua Bike athlete - go to the Finish Line after you complete your ride and pick up your finishers medal at the same time you are turning in your timing chip.

SPECTATORS AND ANIMALS

This is a very family-friendly event. Spectators are welcomed to attend. At the after-the-event party, spectators can purchase food and beverage from the Pirates Bar & Grill. No dogs or other pets are allowed on the premises. Service animals are permitted.
